Cycling Join Shelby for the ultimate indoor cycling experience and improve your cardiovascular performance and cycling skills. This class is specially designed to maximize calorie burn with minimum time. All levels welcome!

KINSTRETCH™ (Specialty Class) is a movement enhancement system that develops maximum body control, flexibility, and useable ranges of motion. All the movements and training techniques have been selected based on a meticulous and rigorous investigation of evidence, conducted by physical conditioning and medical experts, as it pertains to body control, injury prevention, joint health, and physical longevity.

Spin This indoor cycling class is designed for all fitness levels. The intensity of your ride is under your control, allowing you to work at a pace that is right for your body. The class focuses on aerobic conditioning and interval training, with brief, high intensity bursts that push past your anaerobic threshold.

Synergy combines the intuitive elements of Ancient Eastern cultures with the insightful qualities of the Western approach to wellness. This class combines Yoga, Tai Chi, and meditative stretch. Calm your mind while increasing your overall energy and health.

Totum Revive In this unique combination class, you will spin for 40 minutes on the bike for an amazing cardio workout, and transition into 15 minutes of pumping dumbbells to build upper body and core strength. Finish with a relaxing stretch and leave feeling strong, healthy, and energized.
